

## **FINANCE MANAGER**

### **About us**

1834 Hotels is a leading hospitality management company operating a diverse portfolio of over 30 hotels, motels and resorts across Australia. Committed to delivering exceptional guest experiences while driving sustainable growth through innovative approaches to hotel management.

### **Qualifications & experience**

- Bachelor's degree in finance, accounting, economics, information technology (IT), or related field required; CA or CPA certification preferred.
- Proven track record of at least 7 years in progressively senior roles within financial analysis, strategic planning, or corporate finance.
- Strong leadership and interpersonal skills, with the ability to lead and develop a high-performing team.
- Proficiency in Excel, Power BI or similar business intelligence (BI) tools is advantageous.

### **Tasks & responsibilities**

- Lead and oversee in-depth financial analysis and reporting to support key stakeholders in making informed and calculated operational decisions.
- Review existing policies and procedures to ensure compliance with appropriate accounting standards, regulatory requirements and industry best practices.
- Facilitate clear and effective communication with auditors, providing timely access to relevant documentation, answering inquiries, and addressing any audit findings or concerns promptly and accurately.
- Manage a team of bookkeepers responsible for day-to-day accounting operations, including accounts payable, payroll, and general ledger maintenance.

### **Benefits**

- Competitive salary commensurate with experience and qualifications.
- Opportunities for professional development and career advancement within a fast-growing organization.
- Flexible work arrangements and a supportive work-life balance culture.
- Employee discounts on hotel stays and other hospitality services.

We look forward to receiving your application:

Sam Parker
